

International Conference of Pure Science

Pure Science for Sustainable Progress

Organized by the College of Science, University of Diyala

DECEMBER
17-18

Chemical
Sciences

Biological
Sciences

Mathematics
& Statistics

Computer
Science

Physical
Sciences

Geological
& Earth
Sciences

Forensic
Sciences

Environmental
Sciences

Under the attention of Minister of Higher
Education and Scientific Research

and Under supervision of the President
of University of Diyala

and Headed by the Dean of
College of Science

Dr. Naeem A.Y. Al-Aboudi

Dr. Tahseen H. Mubarak

Dr. Taha M. Hassan

Building on the success of the first edition, ICPS 2025 aims to provide a distinguished scientific platform for researchers, academics, and students from Iraq and around the world to present and discuss the latest advancements in the fields of: **Chemistry, Biology, Physics, Mathematics, Computer Science, Forensic Science, Geology, and Environmental Science.**

With its theme “**Pure Science for Sustainable Progress**”, ICPS 2025 emphasizes the importance of scientific knowledge as a driver for sustainable development and future innovation.
